The PTO appreciates how over-scheduled and busy life can be for CAL families. Please know that by signing up to volunteer, you aren't obligated to serve every time a request is made.

Many of the opportunities listed below involve tasks that can be accomplished at home or are seasonal in nature. If you have any questions or would like more information, feel free to contact Jessica Watkins via email: jnw2006@bellsouth.net

New Family Welcome - Volunteers will be matched with families who are new to CAL to serve as a mentor throughout the year.

Box Tops - (As needed) Clip, count, and bundle Box Tops. Can be done at home in your free time.

Coupon Books - At the beginning of each year, coupon books are sent home with each student to sell. Volunteers on this committee are responsible for placing coupon books into envelopes so that they are ready to be sent home.

Hospitality - *Elementary/Middle/High School* (Monthly) This committee provides monthly snacks, lunches and occasional baked goods for our teachers during the school year. You just need to drop your dish off at school the morning of the event.

Race for Education - (As needed) The Race for Education is a one day event held in the spring where students walk/run around the track to raise money for our school. Many volunteers are needed to make this important fundraiser a success including positions involving marketing, incentives, and volunteers to help run the Race itself.

Special Projects - *Elementary/Middle/High School* (As needed) Volunteers in this area are called throughout the year, as needed, on a short-term basis to help on various school projects needed by the faculty, staff, or PTO. Most of the projects require only a few hours of time.

Uniform Resale - (2 day commitment) The annual Uniform Resale is held every summer in July. You will need to come the day before for a few hours and help get everything set up. Then on the morning of the sale you will need to be at the sale to help things run smoothly, and then clean up after the sale is over. All uniform resale volunteers get to shop early at the sale and receive all the proceeds from any uniform items they are able to sell.
