

Ukulele Club, June 17-21

This fun workshop will teach you the basics of playing the ukulele! It is open to those entering **2nd-5th grades**. Dr. Hoover will be teaching the class. We will learn to play some easy chords to accompany ourselves and others! Each day during “Uke Time,” we will work on chords and songs, and learn about the ukulele and its Hawaiian heritage.

We will meet **June 17-21, (M-F), 9:30-11 a.m.** The fee is **\$130**. The price of the workshop includes five sessions, plus the cost of a **brand new Makala Dolphin ukulele**, which comes in several fun colors! The students will take home the ukulele on the last day of the workshop. Hopefully, we will also hold a little mini-concert on the last day—to sing and play some songs for our family and friends.

(Limit: 15 Students. \$55.00 of the registration fee is nonrefundable, due to the fact that Dr. Hoover will be ordering and purchasing the ukuleles before the class begins.)
