

Elementary Sport Opportunities 2017

The Elementary sports program is designed to give students a first-look at the athletic programs for Christian Academy. Sports offered are meant to make the athletic transition to middle school fun and easier because students are used to practices, competition and teamwork. We have a wide selection of sports currently offered and hope to increase sports in the future.

Each program is designed to develop athletic skills as well as specific skill sets for each of the offered sports. Coaches for each program will consist of CAI High School and Middle School Coaches and Athletes. Not only will the programs allow for skills development, but will wrap up with competitions and mini-games. Parents are encouraged to attend the sessions as a spectator and see what your child is learning!

Programs Offered for Spring 2017

Volleyball

- Tuesdays and Thursdays 2:45-4:30pm
- April 11-27
- Focus: Athletic Development and skill work focus each day with games/competitions throughout
- Grades: K-4th Grade
- Cost: \$70
 - o This fee will be billed to your FACTS account after the first session has occurred.

Co-Ed Soccer

- Mondays and Wednesdays 2:45-4:30pm
