

## STUDENT AUTHORIZATION TO RELEASE REFERENCE INFORMATION

On occasion, students request references for various reasons. Those reasons may include job references, college applications, service academy appointments, volunteer opportunities, etc. In order to complete honest and effective evaluations, we require that students waive the right to view those evaluations. If you would like any employee of the school to complete an evaluation of any kind, you must sign this release.

I waive the right to ever personally view any references given by any employee of Christian Academy of Louisville.

I agree that a photocopy or facsimile copy of this document and any signature shall be considered for all purposes as the original signed release on file.

I certify that I have carefully read, do understand and agree to the above statements.
